Electric Ireland are rewarding customers for carrying out energy efficient measures in their home. Simply hire one of our partners and we'll reward you with a credit on your next electricity or gas bill!

Here's how it works:

- Contact one of our Energy Efficiency Partners about installing energy saving measures in your home
- The Partner will assess the job and explain how much credit the job entitles you off your next Electric Ireland bill
- Once the work is carried out and paid in full, your details will be submitted to Electric Ireland
- You will receive a confirmation email and the credit will be applied to your bill within 10 days

Not an Electric Ireland customer? No problem!

Simply visit electricireland.ie/switch or call **1800 30 50 90** to switch.

Once you receive your Electric Ireland account number, please provide it to your Energy Efficiency Partner.
